Capabilities Statement

About Quantum Health Suppliers

Quantum Health Suppliers (QHS) delivers medical supplies, PPEs, generic drugs and biologicals to federal, state and local government.

Through carefully cultivated relationships, QHS is uniquely positioned to supply all government agencies with PPE's that surpass procurement standards, and more specialized health agencies such as the VA Health System and Indian Health Service with the best quality healthcare products that meet or exceed procurement standards. We pride ourselves on our reliable and fast turnaround operation.

Core Competencies

Quantum Health Suppliers helps customers meet their medical supply needs by diligently sourcing the best quality products available. We have long established partnerships with competent manufacturers and flawless track records. We succeed by:

- ◆ Prioritizing customer service
- ◆ Leveraging long standing relationships
- ◆ Brand alignment
- ◆ Using advanced technologies

We have over 40 years combined experience in healthcare and technical services for the US Air Force and the private sector. We are a lean team of dedicated professionals who understands the shifting nature of today's business environment. Our size affords quick and timely response to the needs of our clients.
